

## 3D Hearts Template

### Instructions:

1. Color hearts with paint, markers, or crayons
2. Flip paper over and color back of hearts.
3. Fold paper in half along center dashed line.
4. Fold in half again along secondary dashed lines.
5. Cut out hearts along solid line.
6. Stack hearts together and staple along center line.
7. Fan out sides to create a 3D heart.
