

Mouse House - 'Outside'

Color and cut out the template. Glue 'Outside' back to back to 'Entry Hall/Bathroom' and carefully cut open the door. Don't cut it completely but leave about 5cm attached where the hinges are.

Mouse House - 'Entry Hall & Bathroom'

Glue to Bedroom

Glue to Living Room

Color and cut out the template. Glue 'Entry Hall/Bathroom' back to back to 'Outside' part and carefully cut open the door. Don't cut it completely but leave about 5cm attached where the hinges are.

Mouse House - 'Living Room'

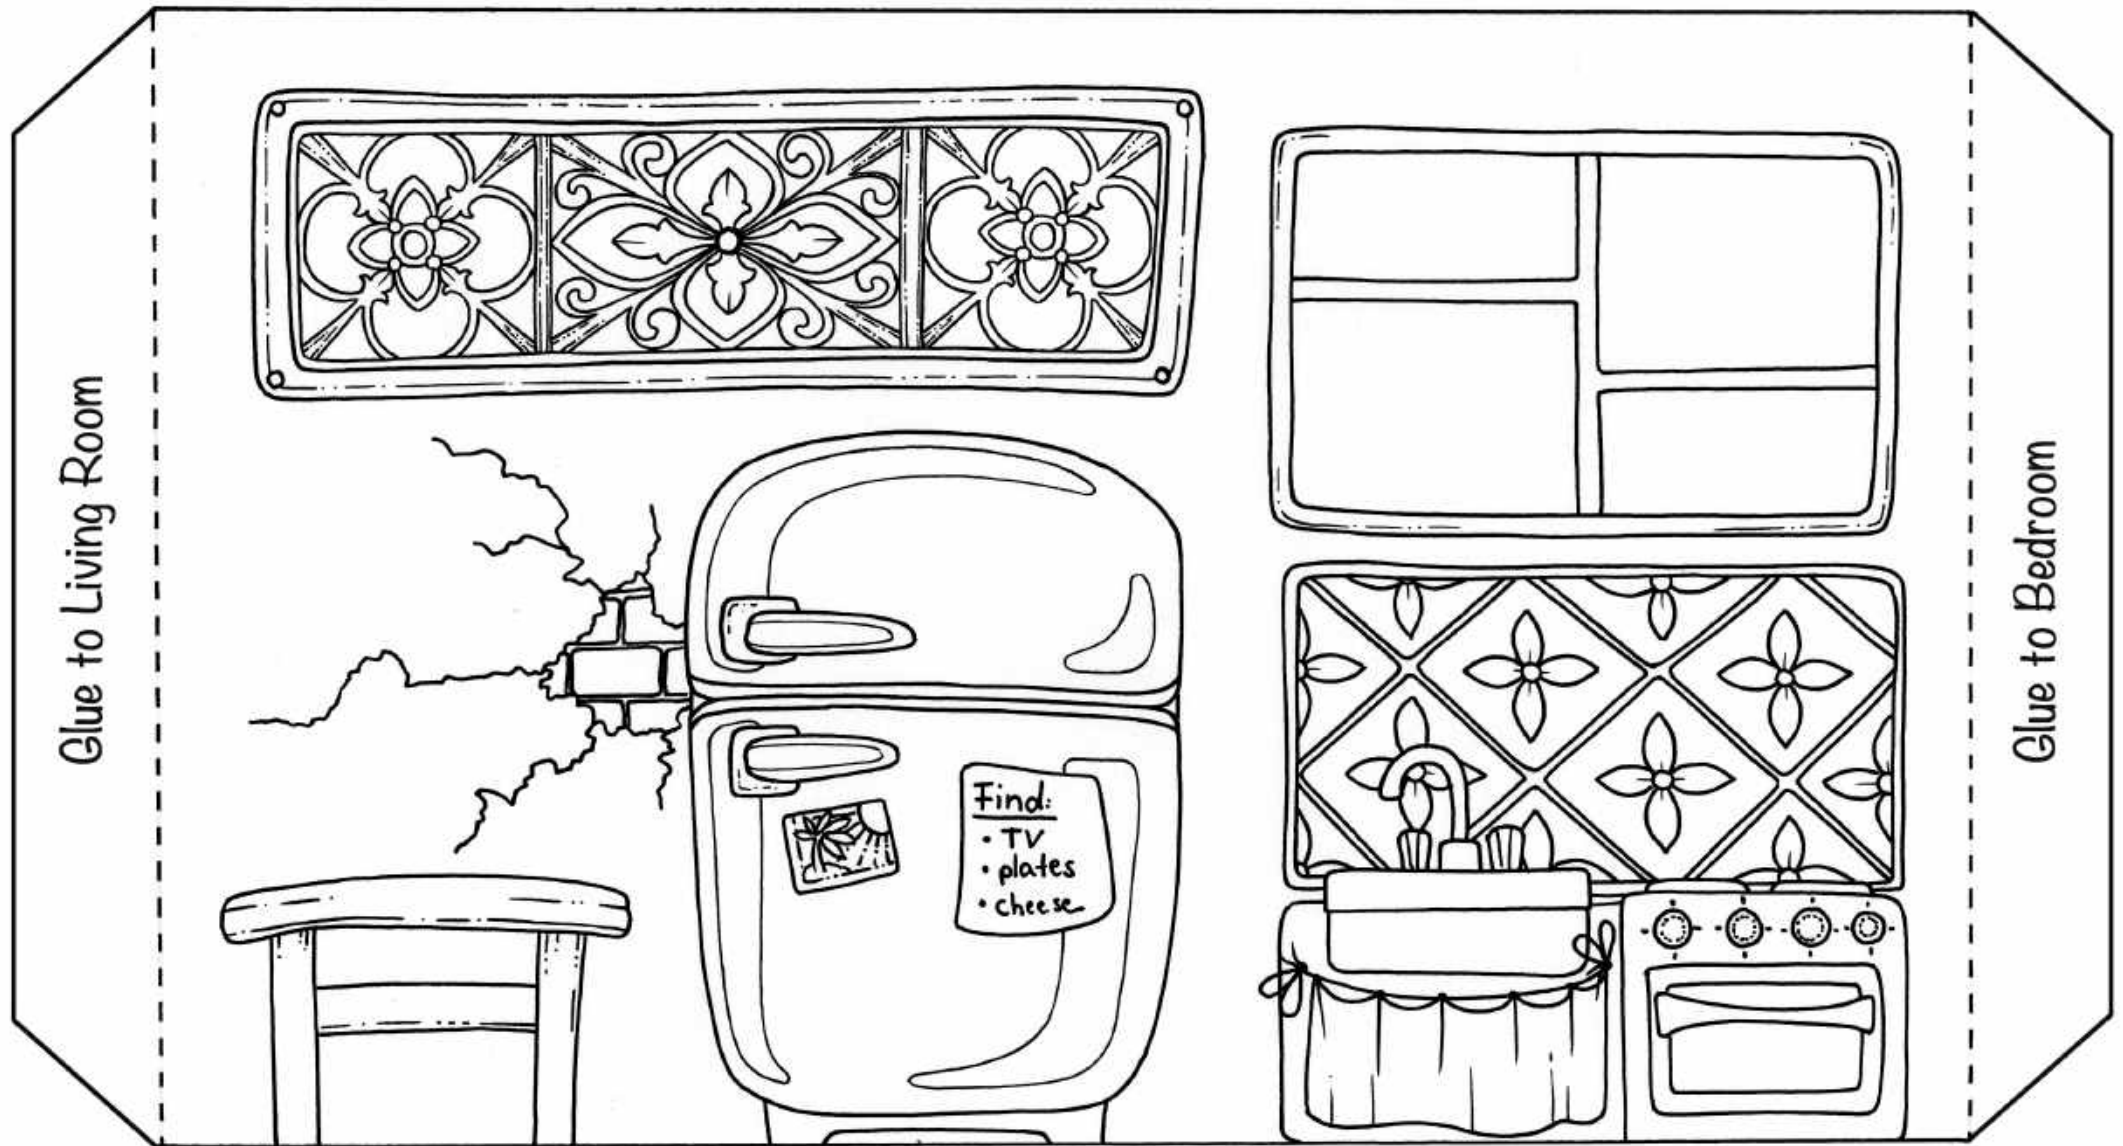

Glue to Entry Hall & Bathroom

Glue to Kitchen

Color and cut out the template. Glue the righthand side to 'Entry Hall & Bathroom'. The left connects to the 'Kitchen' part. Use the flaps provided on the other two templates.

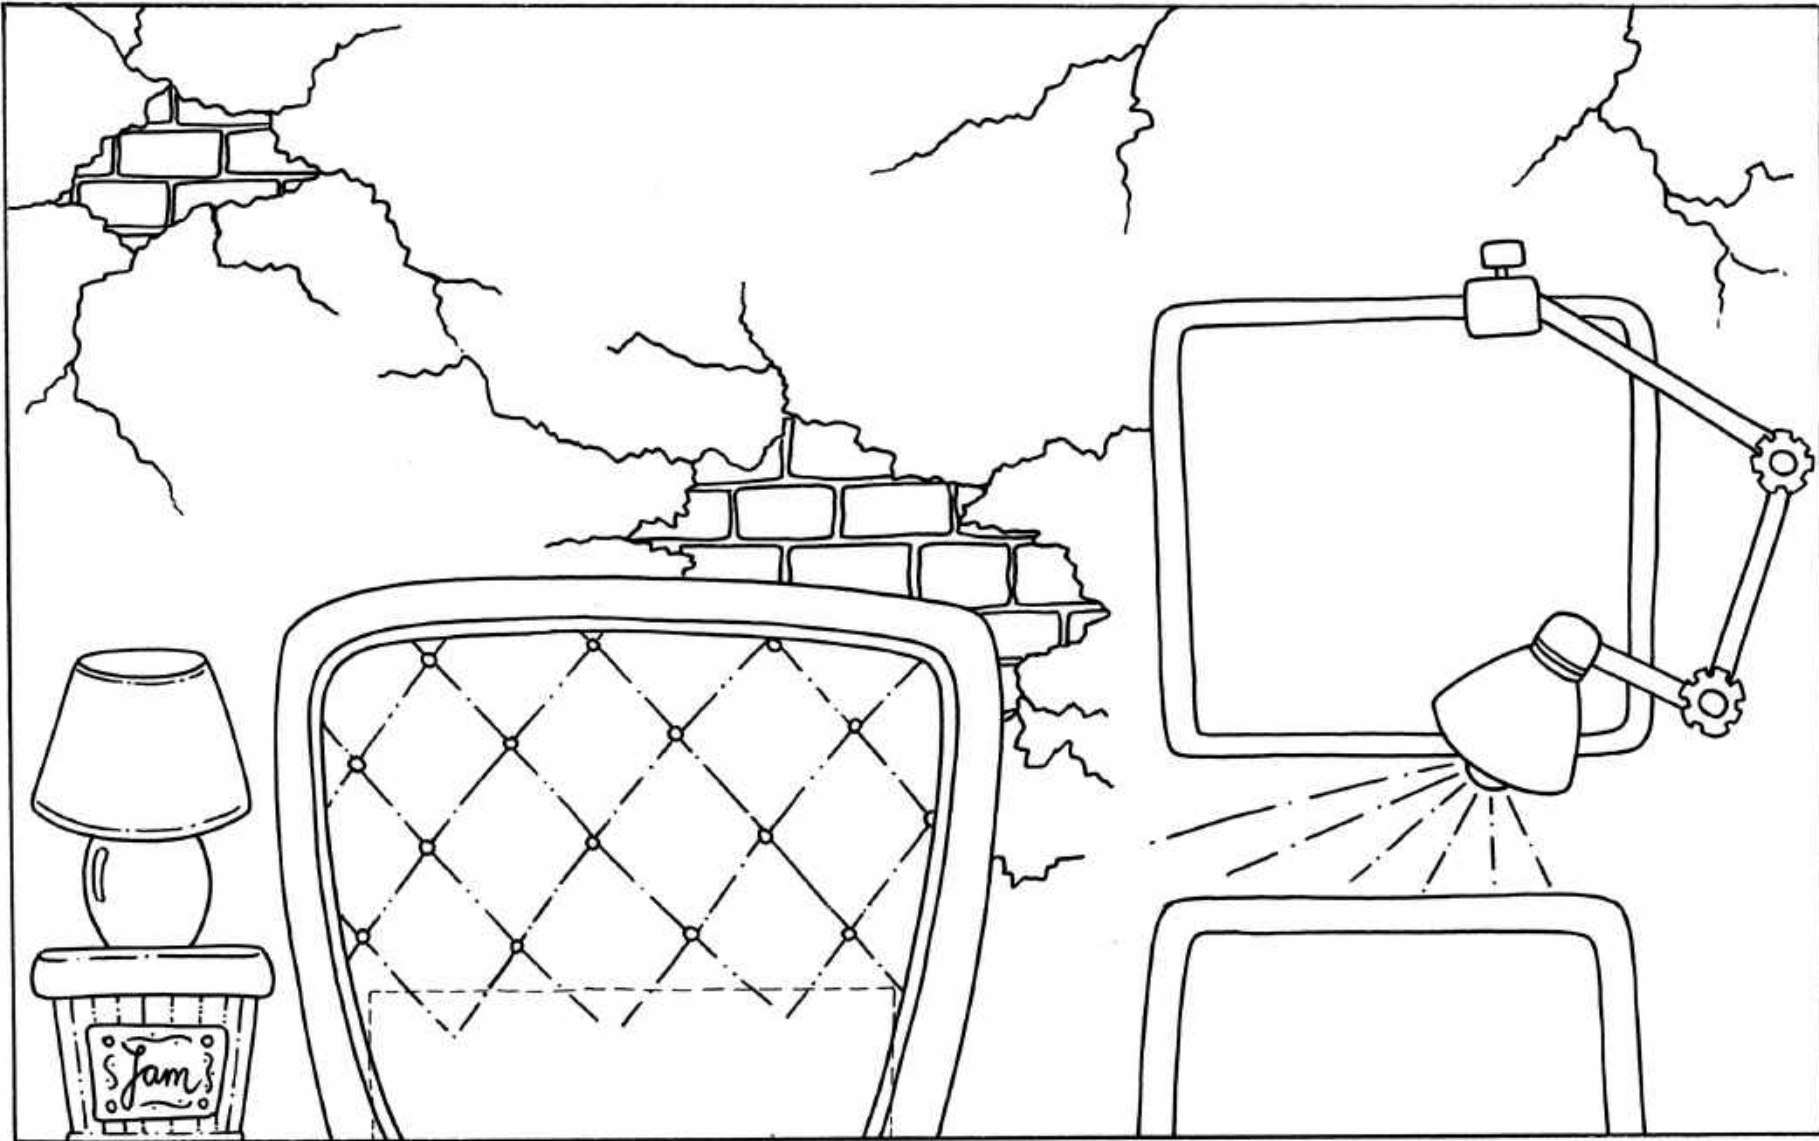

Mouse House - 'Kitchen'

Color and cut out the template. Glue the righthand side to the 'Living Room'. The left connects to the 'Bedroom' part.

Mouse House - 'Bedroom'

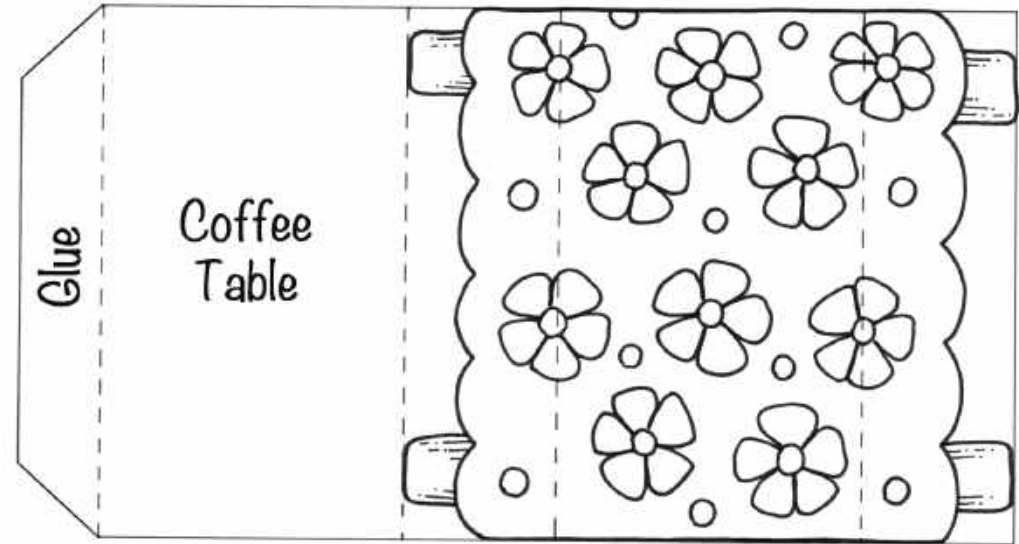

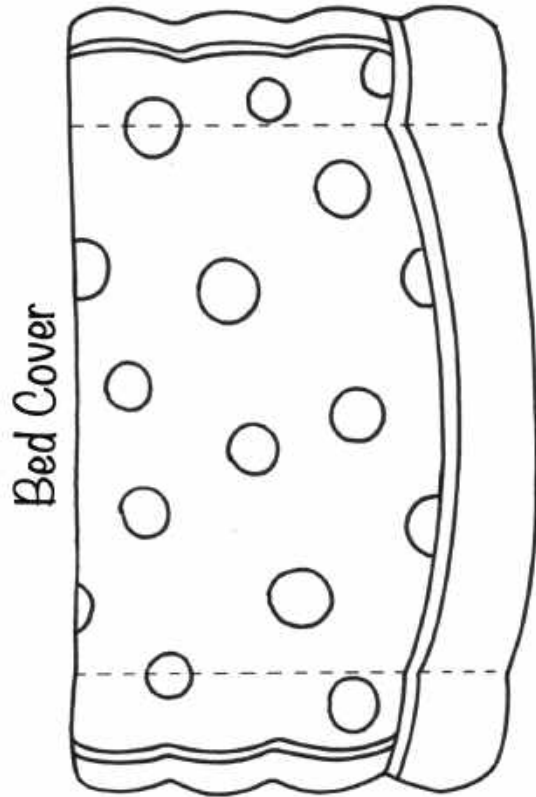

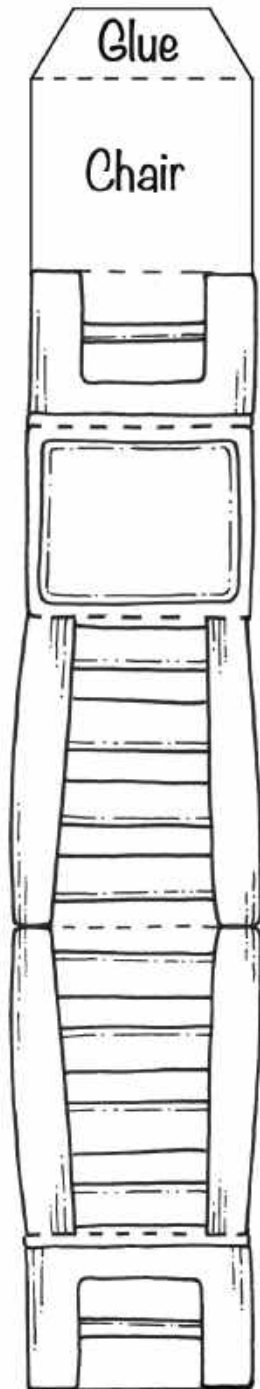

Glue to Kitchen

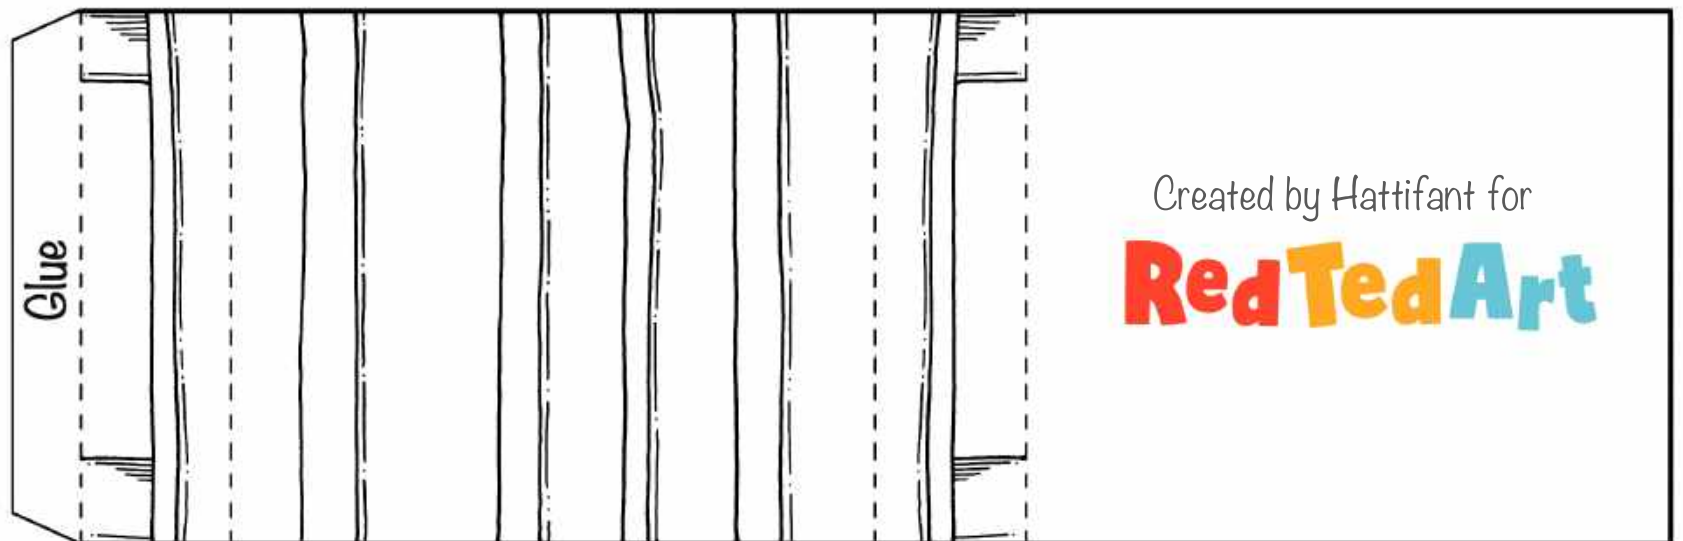

Glue to Entry Hall & Bathroom

Color and cut out the template. Glue the righthand side to the 'Kitchen'. The left connects to the 'Entry Hall & Bathroom' part. Use the flaps provided on the other two templates.

Mouse House - 'Furniture & Bed Cover'

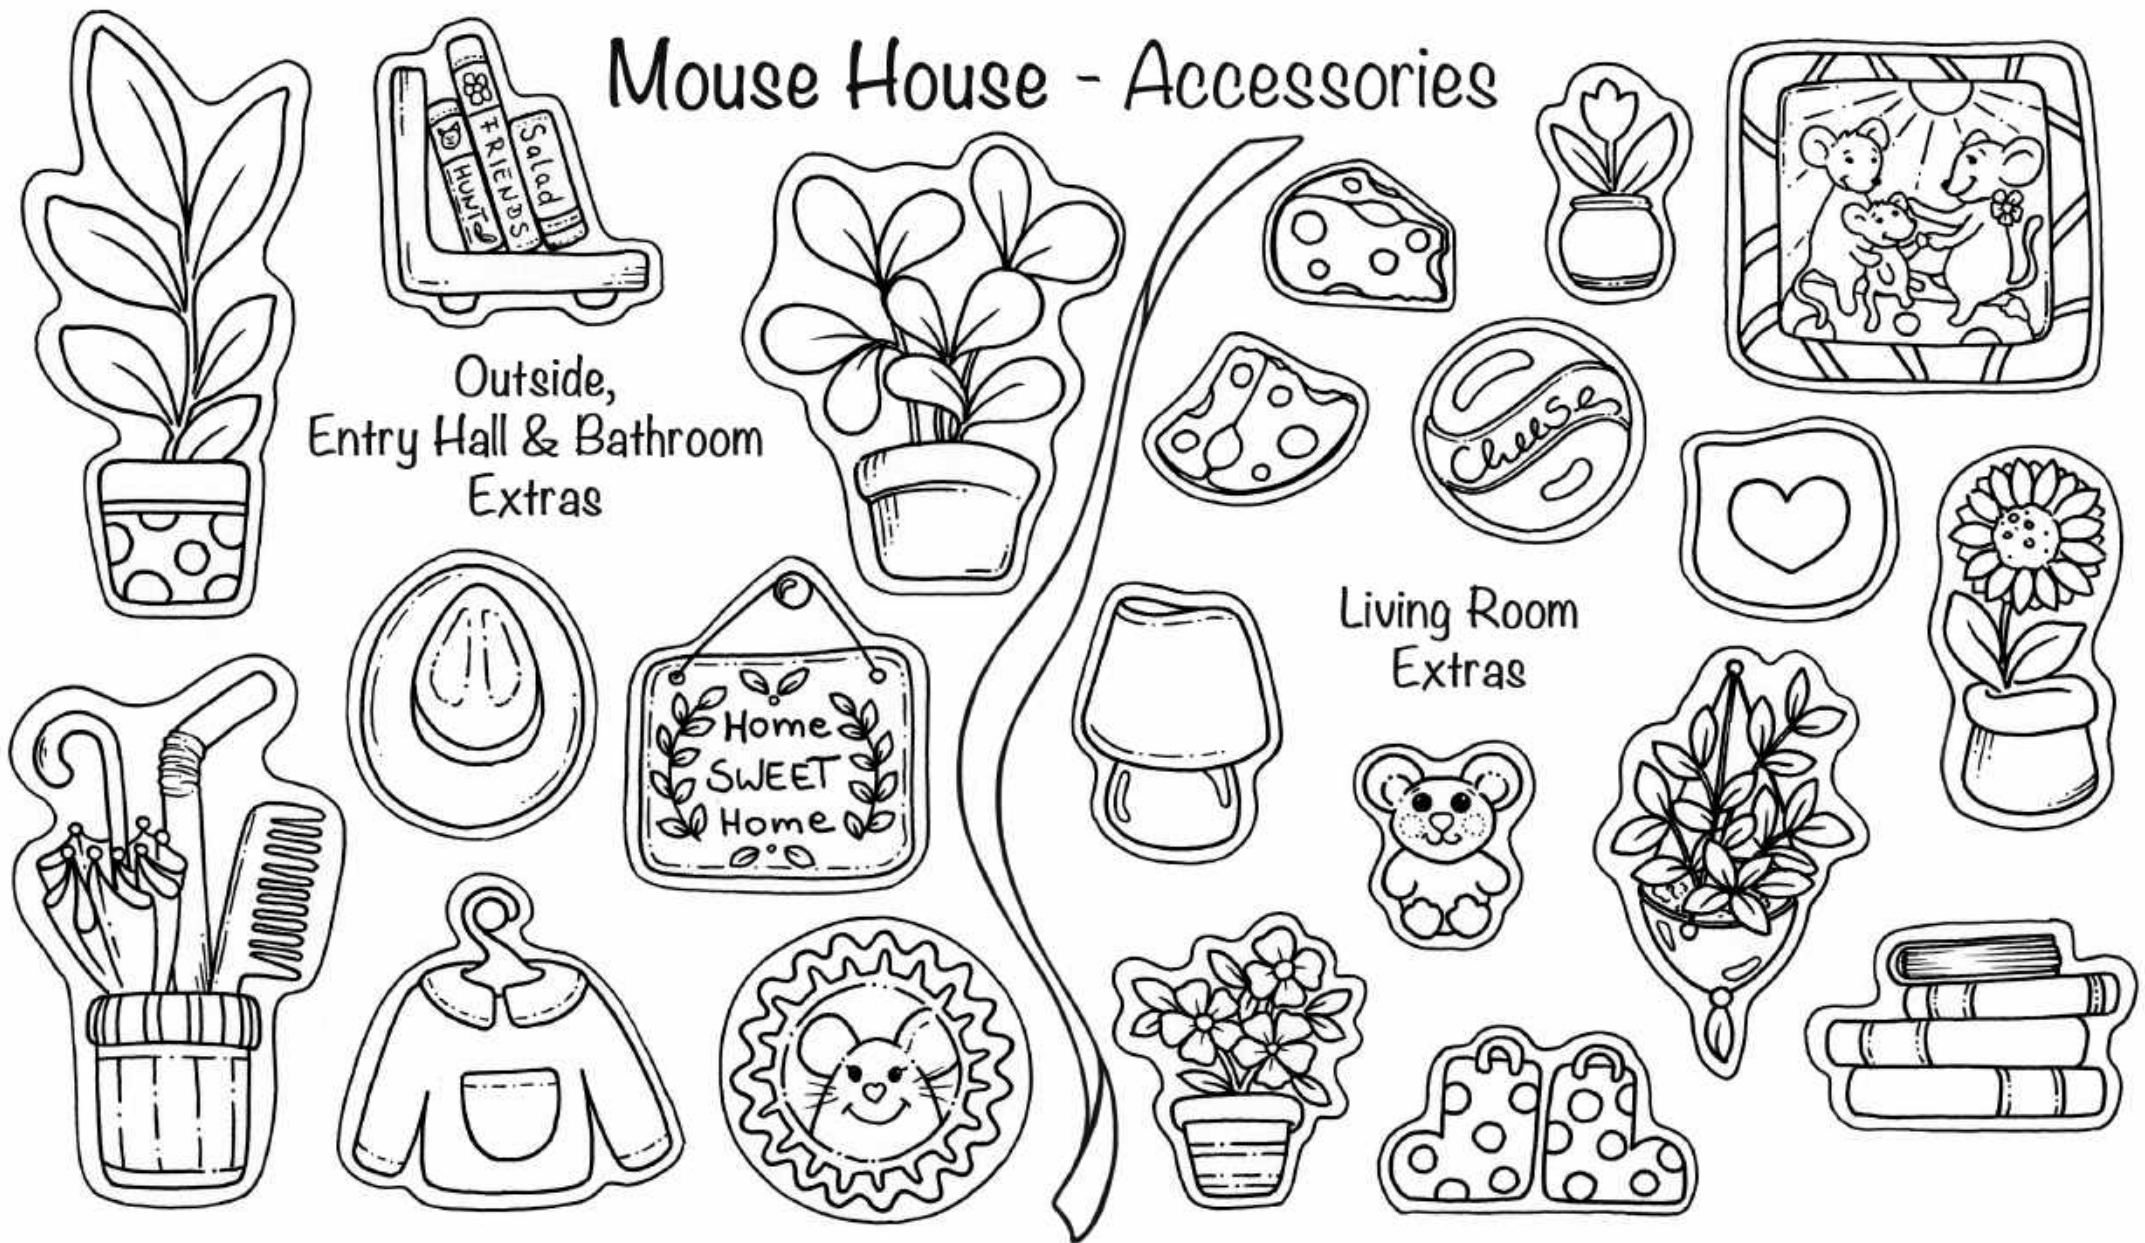

Color and cut out the individual furniture pieces and bed cover.
Glue the pieces together where indicated.
Chair: Front and back of 'back rest' glue shut together.

Mouse House Family

Here is Mama Mouse, Papa Mouse & little Baby Mouse! This is the family you are busy making the Mouse House for!

Color them in and then carefully cut along the outline. Fold the dotted lines. Then add glue to the back of the head and glue front and back of the mice's head together. This way your mice will be able to stand up nicely and not fall over easily.
