INVITATION TO DRAW

99 DRAWING PROMPTS TO INSPIRE KIDS' CREATIVITY

Enjoy these drawing prompts for kids from

INVITATION TO DRAW

by Jean Van't Hul to spark creativity, fill waiting times, and encourage time away from screens!

Drawing prompts can act as a seemingly magical solution for creative engagement. They are an easy and fun way to inspire creative thinking and drawing; all you need are these drawing prompts and a drawing tool, whether that's a pen, pencil, or crayon. Soon your kids will be drawing in a way that they might not otherwise when faced with a blank piece of paper.

As your kids work through the prompts, we would love to see their drawings! Tag us in any social media posts you want to share.

And purchase your copy of Invitation to Draw wherever books are sold to enjoy all 99 open-ended drawing prompts included in the book!

HAPPY DRAWING!
